July 2010

## A NEW BOARD IS CHOSEN, AND CHANGES ARE MADE

The need for some changes in Club policy and organization along with the need for continuity were the themes of the general meeting and election of officers on Monday, June 14, at Abel's house.

**The most important of the changes** effected was in the term of office of president. Under the new rules, the term can be split among several persons. As a result, rather than just one person having to bear the full load of time and effort for an entire year, the work and responsibility can be divided. A unanimous vote by members present approved an amendment to the Club bylaws to permit this change to take place.

So, in the forthcoming year we will have three outstanding presidents, each serving a term of four months. The Club is very fortunate that **GARY HUNT, ERWIN ANISMAN, and BERNIE HODOR—all** with experience and administrative expertise—will take on the job. Also, in a typically generous and selfless act, outgoing-president **LYNN** has volunteered to act as consultant for these new leaders.

### Other changes:

\* The position of vice president will be eliminated, with the responsibilities of that office merged with those of the president.

\* The Club newsletter will be discontinued. Hereafter, announcements as to upcoming activities and other information will be communicated to members by E-mail.

### The New Board:

We are pleased to announce that **JEANNEAN BURLACE** will become the new Club secretary. Also, **LISA PIERCE** has agreed to take over from **HAI** in maintaining the ladder. **We are very fortunate to have two such capable persons** to fill these vital positions.

In addition, **key members** of the Club team have agreed to continue in their roles: **SAM LAN**, treasurer; **LIZ PARKER**, membership; and **RAFIQUE SHEIKH**, Webmaster.

The next Board meeting will be in the community room of the Cypress library. (Since it adjoins the tennis courts, we should have no problem in finding that place.) Day and site of succeeding meetings will be determined at that time.

Finally, we give **kudos and great appreciation** for their service:

\***to ERWIN** for five years of work as editor of the newsletter, putting together the multiple articles and photos of all sizes that came his way—and continuously giving the layout of that publication a smart look;

\***to ROBERT SZEBERT** for his excellent work as secretary in managing to follow the sometimes circuitous discussions at the Board meetings in order to eliminate the extraneous while keeping the central points for inclusion in the minutes of each occasion;

\***and, of course, to LYNN for her devoting so much time and thought and energy to being president and doing such a terrific job—not for just one, but for two entire years.**
